The Best Butter Is None Too Good

The best butter is none too good. The quality of butter is a serious matter and one which may not be trifled with. Good butter is a thing of joy and an enduring delight. Bad or even indifferent butter is an insult to the palate and in some cases injurious to health. CRYSTAL SWEETENED BUTTER is as good as can be made. It has been Honolulu's favorite butter for many years and is today more popular than ever.

Schmidt Becomes A Bankrupt

DEBTS OF OVER THIRTY-SEVEN THOUSAND AND NO ASSETS AT ALL.

A big petition in voluntary bankruptcy has been filed in the federal court by H. W. Schmidt. It shows liabilities aggregating \$37,837.37 and not a cent with which to pay anything on them. All the property the bankrupt has consists of the statutory \$300 worth of personal effects, which are exempt.

The largest single creditor is the Lunallilo estate which has a judgment against the bankrupt for \$15,227.91. Bishop and Company come next, with a claim of \$11,434.26. W. B. Castle, Jr., and E. H. Paris are owed \$3,000 and J. F. Hackfeld \$2,200. Other creditors to whom smaller sums are owing are W. D. Schmidt, Bank of Hawaii, E. E. Comant, F. A. Schaefer, A. Dreier, A. G. M. Robertson, Dr. Day, Dr. Taylor, and W. Wolfers.

Schmidt was a member of the firm of Hackfeld and Company many years ago, but severed his connection and established a large dry goods business here. Up to a few years ago he was quite wealthy, having valuable real estate holdings in and about Honolulu.

FRISCO MAIL TOMORROW

S. S. NEBRASKAN LEAVING KAHULUI NEXT SATURDAY WILL CARRY MAIL TO FRISCO.

Although the S. S. Doric is the first scheduled mail boat going direct to San Francisco, it is not certain but mail sent by the S. S. Nebraskan by way of Kahului will reach San Francisco a day earlier than that sent by the Doric.

The Doric is due here April 30, next Monday. The Nebraskan is scheduled to leave Kahului for San Francisco Saturday. Under ordinary circumstances the Doric would discharge her cargo in time to leave Honolulu on April 29. She would in such an event reach San Francisco or Oakland, wherever she will dock, on the following Sunday. But it is by no means certain that the Doric will arrive here on April 30. She may have left Yokohama on time but no word to this effect has been received by the local agents. Should it prove that she was delayed in leaving Yokohama or else is delayed arriving at this port, she would not get into San Francisco until a day after the Nebraskan.

Freight Agent Morse of the American-Hawaiian line will notify the post office officials regarding the matter and arrangements may be made to send a mail to the Nebraskan by the steamer Claudine leaving Honolulu tomorrow afternoon at 5 o'clock.

ALL IS WELL.

W. H. Hoogs, brother of Frank L. Hoogs, received the following cablegram last night: "Oakland, April 25—Well."

Frank L. Hoogs went up on the Alameda.

TOOK ADVANTAGE OF BRYAN'S OFFER

BETWEEN SEVENTY-FIVE AND ONE HUNDRED PACKAGES AND MESSAGES SENT TO COAST.

When William A. Bryan left on the Ventura he had with him a large number of messages, packages and parcels of money to deliver to different people in San Francisco. Nearly one hundred different articles were given to him to deliver.

As soon as Mr. Bryan decided to go to San Francisco on the Ventura he advertised the fact that he would carry free any messages, small packages, or money to friends in San Francisco such as might be given to him to take. Many people availed themselves of the opportunity to get money and messages to friends in San Francisco.

The articles were received at the office of Trent and Co. and Mr. Trent stated that morning that between seventy-five and one hundred packages, letters and sums of money were left there to be taken by Mr. Bryan. Mr. Bryan was a messenger boy on a large scale.

Upon his arrival in San Francisco or Oakland he will advertise for the people for whom he has messages stating that if they call at a certain place they can obtain their package. In this way each message or package will reach the person to whom it is addressed.

The barkentine Koko Head passed Diamond Head this morning and signalled "all well." She left Portland April 4 for Shanghai.

MAUI STARTS A FUND

BEGINS TO SUBSCRIBE VERY QUICKLY FOR RELIEF OF SAN FRANCISCO.

Maui began a relief fund very quickly on hearing of the San Francisco fund. Secretary Wood this morning received the following letter:

"H. P. Wood, Esq., Honolulu, Oahu. "Dear Sir—Your circular letter relative to fund for San Francisco sufferers received."

"On Sunday last a mass meeting of citizens was held at the Armory in Walluku for the purpose of collecting funds for the distressed of San Francisco. Committees were appointed and before the meeting adjourned \$420 was subscribed. We hope to forward a good donation either by to-night's mail or before the week closes. Mr. C. B. Wells was the chairman of the mass meeting and matters are in his hands for attention."

"As I understand, all monies collected will be forwarded to Honolulu as Maui's contribution and will probably go forward with funds collected in Oahu, all monies so collected to be known as Hawaii's contribution."

"Very truly yours,"

"D. H. CASE."

GOUVEIAS ARE STILL AT WAR

FAILURE TO GET A DIVORCE DOES NOT END THEIR COURT PROCEEDINGS.

Frank Gouveia was before Judge Lindsay this morning to show cause why he should not be punished for contempt of court for not paying his wife alimony as was ordered, during the pendency of her suit against him for divorce.

Gouveia won the suit and no divorce was granted, but that didn't make the order pendente lite any different, and the judge this morning gave him till April 7 to pay up or go to jail.

The sum ordered was \$4 a week and an attorney fee of \$15.
